

## The Puppy

The puppy's muddy!  
Look at her!

I've never seen  
Such dirty fur!

My goodness,  
She's a grubby pup!

I think we better  
Clean her up.

Let's put the puppy  
In the tub

And give the pup  
A great big scrub

With lots of water,  
Lots of soap,

And that will get her clean,  
I hope.

Now rinse her off.  
Her bath is done.

It's time to dry her  
In the sun.

She looks so pretty,  
All fluffed up.

I've never seen  
So clean a pup!

Oops! Oh, my!  
She got away!

She's in the mud!  
Her coat is gray!

She's dirtier  
Than yesterday!

She's having fun.  
Let's let her play.

Then let's find  
Something else to do.

I know what  
And you do, too!

You read to me!  
I'll read to you!
